

# RunwayHD

## New Version Features

Thanks for downloading RunwayHD 3.5.1, here are some of the exciting new features that you should look out for in this release. If you have any questions please contact us via [info@airboxaero.com](mailto:info@airboxaero.com)

In RunwayHD 3.5.1 we have introduced an exciting new dashboard view that gives you route, weather, NOTAMs and more in one place.

## Border Force

General Aviation Reports can now be filed directly from RunwayHD. This is a free service linking directly to UK Border Force.
