

RunwayHD

New Version Features

Thanks for downloading RunwayHD 3.6.2, here are some of the exciting new features that you should look out for in this release. If you have any questions please contact us via info@airboxaero.com

In RunwayHD 3.6.2 we have introduced our brand-new flight plan filing service. This new service allows you to file, delay and cancel.

This is a free service as part of your subscription to RunwayHD!
